SIXTH ANNUAL SCIENTIFIC MEETING

OFFICIAL PROGRAM

St. Catherine's College
Oxford
July 19-22, 1983

Governing Council, 1983-84

Introducing The International Society of Political Psychology

Statement of Purpose - to improve communication between academicians, political practitioners, and others who share a desire to better understand the human experience of politics. To serve as an international and interdisciplinary forum to increase the scope and quality of research in political psychology through sharing information, encouraging collaboration and evaluating our social and ethical responsibilities. In general, to use skills and resources to promote a more humane future for mankind.
