SUMMER'S SEVENTEENTH ANNUAL SCIENTIFIC MEETING MEMBERS

IBERIA

WELCOME FROM THE PRESIDENT

It is a pleasure to welcome all participants to ISPP's Seventeenth Annual Scientific Meeting in this beautiful town of Santiago de Compostela. Special thanks to the Program Co-Chairs Stephen Walker and Doris Graber, Conference Director, Aaron Belkin and Conference Chair José Manuel Sabucedo for all the hard work that made this year's gathering possible.

Our Spanish hosts have planned a wealth of activities that we hope will provide you with opportunities for intellectual exchange as well as a chance for relaxation and exploration of the many exciting historical and cultural features of this region. We are much indebted to them.

We would also like to extend a special thanks to those of you who were inconvenienced in the process of booking hotels and flights. Next year, we are attempting to set up a world-wide toll free phone number for reserving discounted flights.

Please keep the following dates in mind for future conferences: July 6-10, 1995, Washington, DC; July 3, 1996, Vancouver, BC; and July 1997. We hope you have a memorable experience in Spain and we look forward to seeing you next year.

Betty Glad
President

ACKNOWLEDGMENTS FROM THE PROGRAM CO-CHAIRS

Many people helped to put together the program for the 17th annual Meeting of the Society. We would like to thank all of the participants on the program, especially those members who organized symposia, roundtables, panels, and workshops, for making our job easier by supplying the information about their papers and presentations in a timely fashion. Betty Glad, George Marcus, José Manuel Sabucedo, Aaron Belkin, and Maritza Montero provided the expertise and logistical support necessary to bring together the disparate elements of a truly international effort. The staff in the department of political science at Arizona State University, especially Mark Schafer and Joy Erickson, were indispensable in producing the final product. Thank you one and all.

Steve Walker and Doris Graber
Program Co-Chairs
