

Call for ISPP's Governing Council Nominations

The International Society of Political Psychology nominating committee is soliciting nominations for five three-year terms on the ISPP Governing Council. We invite you to nominate yourself or another ISPP member.

The Governing Council consists of 15 elected members who provide oversight and direction for the organization. Information on the specific duties of the Governing Council can be found at <http://www.ispp.org/about/constitution>

Membership of the Governing Council is an excellent opportunity to help guide and develop both the Society and political psychology as a discipline. Members of the Governing Council must be current dues-paid members of the ISPP.

Ten candidates will be put forward as nominees for the five positions, with the ISPP membership voting in March 2014. Nominees will be contacted by the committee before being placed on the ballot. The ISPP is committed to internationalization and diversity and encourages all to nominate.

Those elected will serve a term from July 2015 to July 2018.

Nominations are due by 30th October, 2014.

Please send nominations to:

Dr Anca Minescu
Department of Psychology
University of Limerick
Anca.Minescu@ul.ie

Nominations must include:

Name:

Institutional affiliation:

Discipline / areas of research:

Statement: (*max: 150 words: any information that might assist the nominating committee in selecting the shortlist of 10 nominees*).
