

IPSA-NUS Methods School, Singapore, June 19-30, 2017

The 6th Annual IPSA-NUS Summer School for Social Science Research Methods will be held at the National University of Singapore, June 19-30, 2017.

This year's Methods School offers such quantitative, qualitative, and formal methods courses as Case Study Analysis, Data Visualization, Experimental Methods, Interview and Focus Group Research, Network Analysis, and Quantitative Text Analysis. All courses are taught by highly experienced international faculty and provide participants with rigorous, hands-on training in state-of-the-art research methods.

For more information on the various Methods School courses and instructors, early registration discounts, and more, visit our website (<http://methods-school.nus.edu.sg>) or contact us at methods-school@nus.edu.sg.
