

Inaugural [International Convention of Psychological Science](#) (ICPS)  
12-14 March 2015 in Amsterdam, The Netherlands

**Call for Submissions Open**

Symposium Deadline: 17 September 2014

Poster Deadline: 30 September 2014

The [Association for Psychological Science](#) and the members of the [Initiative for Integrative Psychological Science](#) invite the international community of psychological scientists and related disciplines to a major new event: the International Convention of Psychological Science. ICPS attendees will hear the latest scientific findings across several broad themes, and through the unique pairing of symposia and methodological workshops, will learn valuable skills to further the body of knowledge in ways that are only possible through an integrative focus. ICPS speakers are among the world's most distinguished scientists and form an innovative, [first-of-its-kind program](#) in psychological science. The keynote speakers are [Stanislas Dehaene](#), [George Lakoff](#), and [Terrie E. Moffitt](#).

ICPS welcomes research submissions from all branches of psychological science and related fields. In presenting your research at ICPS, you will be connecting with other scientists whose work will be complementary to your own, and you will find yourself being part of a combined endeavor that exemplifies integrative science.
