

ISPP's New Online Portal (via Avectra)

Notes: In terms of functionality, this new system works similarly to the old system ISPP was using, CVENT. But this new system will allow us to set up groups and post members-only content within this portal, bringing additional benefits and capabilities for our members. Groups and other “members only” content is not yet set up. The focus was on getting 2014 conference registration and membership renewals/joins set up first, to ensure proper conference registration pricing and continuity of service, and then build additional material. Apologies for our slight delay, but we look forward to bringing you more member benefits via this new system!

- 1) Go to this page: <https://netforum.avectra.com/eWeb/StartPage.aspx?Site=ISPP> (NB: This link is also available from ISPP's web site)
- 2) Click on “Login” in the menu on the left

ISPP
International Society
of Political Psychology

Welcome to ISPP's Online Portal

Via this site you can purchase International Society of Political Psychology (ISPP) memberships, register for ISPP's Annual Meetings, make donations to ISPP, and access members-only content.

If you are already a member of ISPP, your login is your e-mail address that is registered with us. If your e-mail address has changed, you can update it once you log in, but please log in with your old e-mail address to avoid creating duplicate accounts, as this will affect your membership and access. If you are not already a member, you can go to the Login page from the menu at the left and create a new visitor registration and purchase a membership to access members-only content and obtain member benefits.

ISPP Membership Pricing

Memberships are available in the following categories, at the listed prices. Membership is effective for 12 months from the time that you register/renew and you will receive a renewal notice via e-mail when your anniversary is approaching. Please visit the link for "Memberships/Donate" in the menu to the left to purchase membership. Existing members will need to log in and new members will need to create a new visitor registration before making a purchase.

4) You'll land back on the main page, but note your expanded menu now that you're logged in:

Welcome to ISPP's Online Portal

Via this site you can purchase International Society of Political Psychology (ISPP) memberships, register for ISPP's Annual Meetings, make donations to ISPP, and access members-only content.

If you are already a member of ISPP, your login is your e-mail address that is registered with us. If your e-mail address has changed, you can update it once you log in, but please log in with your old e-mail address to avoid creating duplicate accounts, as this will affect your membership and access. If you are not already a member, you can go to the Login page from the menu at the left and create a new visitor registration and purchase a membership to access members-only content and obtain member benefits.

ISPP Membership Pricing

Memberships are available in the following categories, at the listed prices. Membership is effective for 12 months from the time that you register/renew and you will receive a renewal notice via e-mail when your anniversary is approaching. Please visit the link for "Memberships/Donate" in the menu to the left to purchase membership. Existing members will need to log in and new members will need to create a new visitor registration before making a purchase.

Member - Income per year:

- Students: \$31 USD per year
- Less than \$20,000 USD: \$41 USD per year
- \$20,000-\$30,000 USD: \$51 USD per year

5) Navigate to different pages using the menu at the left. Events Registration and Membership/Donations will both navigate to the same page, which is available to anyone (Member/Non-member) without login initially (you must log in or create a new profile to make a purchase, except for donations), and features all "products" available: membership types, events, donations. You can click on each for more detail. There is one "Member" item for non-students/non-retirees, but you will see the price for your salary data that we have on file (Renew), or the salary data you provide (New):

If you are already a Member with a current membership you should see your name at the top of the above page and your correct renewal price when it is time for your renewal (you will receive a notice via e-mail to renew). Your registration price for the Annual Meeting is tied to your membership type and status (ex., student member, non-member, etc.). If your membership has lapsed, you may want to renew or rejoin ISPP first, for discounted meeting registration.

- 6) Once logged in you'll have menu options specific to you. "My Information", "My Transactions", and "My Events" are based on the login information. For example, "My Information":

Note that your "Customer ID", just under your name on the above screen, is your ISPP Member ID number. This number is only used internally and you do not need to keep a record of it.

- 7) You can click on "Edit/View Information" at the top of the page to update your information. The page contains standard and custom fields. Scroll to the bottom of the page to view the custom

fields. **BE SURE TO CHECK/UPDATE YOUR SALARY FIGURE**, as this determines your membership price when you renew. The figure should be within the salary range for your appropriate membership level. **You will be unable to renew your membership until this field is populated**, as the system will have no data to assign a membership price. Please know that this salary information is not shared with anyone or used for any purpose other than for the system to ensure that you receive accurate membership pricing. You can also login and update your salary information at any time, should it change. “Social Information” is where you can list any URLs for your profile on social networking sites (Facebook, LinkedIn, Twitter, etc.).

A sidebar on the left contains links for ISPP Web Site, ISPP Portal Home, Logout, My Information, My Transactions, My Events, Upcoming Events, Individual Directory, Events Registration, Memberships/Donate, and Contact Us. The main content area contains the following text: 'This event allows you to register guests. Please select if and how many guests will be attending the event as part of your registration. *NOTE: By registering one or more guests, you certify that you have the authority to complete registration for those person(s) and accept the waiver on their behalf.' Below this is a blue box with the heading 'Number of guests (optional):' and a dropdown menu showing '0'. At the bottom are buttons for '<< Previous', 'Cancel', and 'Next >>'.

The screenshot shows the 'Event Registration Wizard' for the '2014 ISPP Annual Scientific Meeting' at the 'Enter Guest Registrants Information' step. The navigation bar and sidebar are identical to the previous screen. The main content area contains the following text: 'Please enter registration information for guest registrants attending the event. Click the NEXT button at the bottom of the page to continue.' Below this is a blue box titled 'Enter registration information for Guest #1'. It contains several fields: 'R First Name:' (text input), 'R Last Name:' (text input), 'R Badge Name:' (text input), and 'R Registration Date: 4/9/2014' (text input). There is also a dropdown menu for 'I accept:' with a red 'R' icon. Below the dropdown are two text input fields with the following text: 'FOOD ALLERGY/DIET: Please indicate if you have any food allergies or special diet needs, so that we can notify the hotel.' and 'SPECIAL ASSISTANCE: Please indicate if you require special assistance at the meeting (ex., wheelchair seating), and we will do our best to accommodate you.:'. At the bottom are buttons for '<< Previous', 'Cancel', and 'Next >>'. A blue arrow points from the 'Next >>' button of the previous screen to the 'Next >>' button of this screen.

19) You will go through the same screens for the guest to select social events, etc. After that, you will land on a confirmation page with pricing and social event selections for you and your guest(s). This page can also be printed:

20) You will land in your shopping cart when you click the “Register Now” button. Note that each of the social events for you (and your guest, if applicable) is listed as an individual item, with pricing as appropriate, so you can make any final adjustments on individual items before purchase (ex., you have a conflict with the Welcome Reception – you can delete it before you buy). If you make any changes, be sure to click on the “Update Cart” button before checking out. From this page, you can proceed to checkout, or continue shopping.
