

Research Associate in Applied Social/Political Psychology of China and Globalization

Job Reference: HUM-11762

Location: Oxford Road, Manchester

Closing Date: 07/05/2018

Salary: £31,604 to £38,833 per annum, depending on experience

Employment Type: Fixed Term

Faculty / Organisational Unit: Humanities

Division: Manchester China Institute

Hours Per week: Full time

Contract Duration: Available from 1 September 2018 until 31 August 2019

The Manchester China Institute (MCI) is seeking to appoint a Research Associate with research experience and interest in political psychology to work on a research project titled “The Political Psychology of China and Globalisation” led by Professor Peter Gries.

You will be based in the Lee Kai Hung Postdoctoral College at the MCI working both independently and with academic colleagues from the MCI and other institutes and departments.

You will have a PhD or equivalent qualification (completed or near completion) in psychology or politics, demonstrable ability to publish in leading academic journals and strong quantitative skills.

Please note that we are unable to respond to enquiries, accept CVs or applications from Recruitment Agencies
