

The 2nd annual IPSA-NUS Summer School for Social Science Research Methods will be held at the National University of Singapore, July 8-19, 2013.

This year's Summer School offers eleven courses in quantitative, qualitative, and formal methods. All courses are taught by highly experienced international faculty and provide participants with rigorous training in state-of-the-art research methods.

For more information on the various Summer School courses, financial aid, early registration discounts, and more, please visit our website (<http://methods-school.nus.edu.sg/>) or contact us at methods-school@nus.edu.sg.

Please share this announcement with any colleagues, students, and friends that might be interested in the Summer School.

Best regards,
The IPSA-NUS Summer School team
