

Youth Peacebuilding in a Setting of Political Divide

Laura K Taylor, PhD, will be presenting a taste of research on “Youth Peacebuilding in a Setting of Political Divide” and an insight into MSc (masters) in Political Psychology at Queen's University, Belfast. This webinar, lasting around 45 minutes, Dr Taylor will define peacebuilding and explore ways we can promote constructive agency among youth people in a ‘post-accord’ generation in Northern Ireland. She will also briefly outline the MSc in Political Psychology at Queen's. During the Webinar you will have the opportunity to submit written questions, when the presentations are completed Dr Taylor will answer each question received before finishing the link-up.
