

JOB DESCRIPTION

ASSOCIATE PROFESSOR

OR

TENURE-TRACK ASSISTANT PROFESSOR FOR AN ASSOCIATE PROFESSORSHIP

Area of specialisation: STATISTICS AND QUANTITATIVE DATA ANALYSIS IN PSYCHOLOGY

Full-time position: 100%

Profile

- Doctorate in psychology, statistics or equivalent;
- Good academic teaching record in the field of statistics in psychology;
- Wide-ranging experience of collaboration with psychology research teams;
- Practical experience of statistical consulting;
- Proven research record of applied statistical methods in psychology;
- Good international networks.

Teaching (45%)

Six hours of teaching a week, throughout the year, at Bachelor (BA) and Master (MA) levels, determined in accordance with institutional requirements, including:

- Intermediate lecture course + practical workshop in Statistics II in psychology (BA level, 56 hours, 6 ECTS);
- Advanced lecture course + practical workshop in Statistics III in psychology (BA level, 56 hours, 6 ECTS);
- Lecture course on a topic to be determined according to the candidate's area of specialisation (MA level, 28 hours, 3 ECTS);
- Seminar on quantitative research methods (MA level, 28 hours, 3 ECTS).

Supervision of MA dissertations and PhD theses.

Research (45%)

The post-holder will be expected to pursue their own research and to collaborate with members of the Institute of Psychology (IP) on joint research projects. S/he will contribute to the development of a statistical consulting and data analysis service for members of the Institute of Psychology. S/he will be expected to produce high-quality academic publications.

S/he will seek external funding, in particular from the Swiss National Science Foundation (SNSF).

Administrative responsibilities (10%)

In accordance with statutory requirements and in the name of collegiality, the post-holder will take on any administrative tasks that may be assigned to them by the Institute, Faculty, University or university decision-making bodies.

Institutional environment

The post is located in the Institute of Psychology (IP) and the Faculty of Social and Political Sciences.

Starting date: 1st August 2020

Candidates are invited to submit their application in PDF format **via the online recruitment system** containing a cover letter, academic CV (**including list of publications**), copies of diplomas and qualifications and five main publications. Only applications submitted via the online system will be considered.

References: maximum three contact names with e-mail addresses are sufficient. There is no need to solicit them at this stage of the application; we will do it if necessary.

Further information can be obtained from Professor Jérôme Rossier (Jerome.Rossier@unil.ch)

Deadline for applications: 31st January 2020

*UNIL is committed to promoting gender equality and diversity and strongly encourages applications from female candidates.
